FACULTY OF SCIENCE
THE UNIVERSITY OF HONG KONG
香港大學理學院

Master of Science in ENVIRONMENTAL MANAGEMENT

Managing environmental issues in multifaceted contexts

Apply now for entry in September 2021

Host
School of Biological Sciences

The Programme
Either **1-year full-time** or **2-year part-time**

- A multi-disciplinary coursework programme with most teaching on weekday evenings
- An integrated overview of environmental management, addressing both major environmental problems and their social, legal, engineering, ecological and economic contexts
- Course materials focus on Hong Kong, but with a strong international and comparative dimension
- Courses taught by ecologists, engineers, planners, economists, lawyers, and environmentalists from HKU and practitioners in the field
- Accredited for direct application to the Graduate IEMA membership and BEAM Affiliate qualification

Admissions Requirements

- A Bachelor's degree with Honours in any field
- Work experience is useful but not essential

Application

Application opens in **late December 2020**

Deadline for local applicants: **12 noon, June 30, 2021 (GMT +8)**

Deadline for non-local applicants: **12 noon, April 30, 2021 (GMT +8)**
