Curriculum of BSc&LLB Degrees

All students admitted to the first year of the 6858 BSc&LLB programme in the academic year of 2022-23 and thereafter are required to complete one Science major out of the 14 regular Science majors as your major for the award of the BSc degree. In addition to the Science major, you are required to take the required LLB professional/interdisciplinary core/elective courses for the award of the LLB degree.

To complete the BSc&LLB curriculum, you have to pass not fewer than a total of 300 credits normally spread over five years of full-time study. You should take 60 credits of courses in each year.
