

## BACHELOR OF SCIENCE

Direct Admissions Scheme to the 3<sup>rd</sup> Year  
for Associate Degree & Higher Diploma Graduates  
**2025-26** (September 2025 intake)

### Top-notch world university in Asia

**#17** in QS World University Rankings 2025

**#2** in QS Asia University Rankings 2024

**#6** in THE World's Most International Universities Ranking 2024 (**#1** in the Territory)

**#10** in QS World Graduate Employability Ranking 2022

Clarivate Analytics' Essential Science Indicators

**18.3%** of our professoriate staff (average over the past decade) are  
classified Top 1% scholars

### International environment

**14 Science Majors**  
to suit your  
interests and career  
aspirations

**Availability of  
Minor option**

**Diverse  
learning  
experiences**

**Direct entry to  
the 3<sup>rd</sup> year of  
the programme**

**Essentially 100%  
employment rate**

**Granting of 120 credits of advanced standing**  
(equivalent to the credits of 2 years of study)

## The Direct Admissions Scheme is open to students from all recognised local institutes. Graduates of the following institutes had been admitted in the past:

- ▶ College of International Education, Hong Kong Baptist University
- ▶ UOW College Hong Kong (formerly Community College of City University)
- ▶ HKU SPACE Community College
- ▶ HKU SPACE Po Leung Kuk Stanley Ho Community College
- ▶ Hong Kong Institute of Vocational Education
- ▶ Hong Kong Community College, The Hong Kong Polytechnic University

A choice of **14 Science Majors** to suit your interests and career aspirations

**Biochemistry**

**Biological Sciences**

**Chemistry**

**Decision Analytics**

**Earth System Science**

**Ecology & Biodiversity**

**Environmental Science**

**Food & Nutritional Science**

**Geology**

**Mathematics**

**Molecular Biology & Biotechnology**

**Physics**

**Risk Management**

**Statistics**

## What our students say

Ashley LI ●

BSc graduate (Major in Biological Sciences)

Associate Degree of Science in Biology from

**Hong Kong Community College, The Hong Kong Polytechnic University**

*I have been given many practicals to conduct laboratory experiments and get familiar with different technologies in biological sciences. Also, the outdoor field course I took allowed me to gain hands-on experience on field sampling, and to investigate the influence of abiotic factors on species.*

● Josephine Suet Ying TAM

BSc graduate (Major in Food and Nutritional Science)

Higher Diploma in Nutrition and Food Management from

**HKU SPACE Po Leung Kuk Stanley Ho Community College**

*Here at HKU I not only acquire solid knowledge, but also have the opportunities to try out new things and gain valuable experiences. I worked as an intern in my Year 3 summer in a nutrition consulting company, where I could apply my knowledge and enhance my understanding of nutrition-related health issues and the health industry.*

Alex Lai Ying CHAN ●

BSc graduate (Major in Ecology & Biodiversity, Minor in Environmental Science)

Associate Degree of Science in Environmental Studies from

**City University of Hong Kong**

*HKU is where people try tirelessly to achieve expertise. There are many opportunities for undergraduates to explore and to learn. For me, engaging in the Summer Research Fellowship (SRF) was a fruitful experience to work hand-in-hand with academics and professionals to produce quality research. I was trained for field sampling, laboratory works and data analysis. It was inspirational and fulfilling to complete a self-initiated project in Molecular Ecology.*

● Richie Ka Wai PUN

BSc graduate (Major in Chemistry)

Associate Degree of Science in Chemistry from

**HKU SPACE Community College**

*I got many opportunities to apply my knowledge and gain hands-on experience in research. I learnt advanced laboratory and research skills, had a better understanding of the field of Chemistry research, and gained insight into how research is conducted. These skills, knowledge and experiences are invaluable and definitely will help to achieve my future goal.*

## IMPORTANT DATES

**2024**

**Sept**

Online application system opens

**Nov**

First round evaluation starts

**2025**

**March**

First round of offers

**Jun onwards**  
Second round of offers
