

Master of Science in the field of **APPLIED GEOSCIENCES**

A springboard for a robust and fruitful career

The Programme

- Either 1-year full-time or 2-year part-time, with 3 themes
 - ▶ Engineering Geology Theme*
 - ▶ Engineering Geology with HKIE Approved Courses Theme**
 - ▶ General Applied Geosciences Theme
- 3 courses in the programme have been included in the list of reimbursable courses under the Continuing Education Fund (CEF) 

*Accredited by the Geological Society of London. Applications for Chartered Geologist or Scientist (CGeol/CSci) with an accredited MSc benefit from an accelerated route, subject to satisfying all other criteria.

**Fourteen courses of the MSc in Applied Geosciences are approved by the Hong Kong Institution of Engineers. These are the additional courses which graduates in Earth Sciences or Geology would need to meet the entry requirements of the HKIE in the Geotechnical Discipline.

**Host
Department of Earth Sciences**

Admissions Requirements

Applicants should fulfill the University Entrance Requirements and should possess a Bachelor's degree with First or Second Class Honours (or GPA equivalent) in Science, Engineering or a related subject.

Application Deadlines (Local & Non-local students)

Application opens in **September 2023**
Applications are considered continuously, and early application is advantageous.

Round 1: 12:00 noon (GMT +8), January 31, 2024
Round 2: 12:00 noon (GMT +8), May 17, 2024 (for Non-local students)
May 31, 2024 (for Local students)
