

Master of Science in the field of **APPLIED GEOSCIENCES**

A springboard for a robust and fruitful career

The Programme

- Either **1-year full-time** or **2-year part-time**, with 3 themes
 - ▶ **Engineering Geology Theme***
 - ▶ **Engineering Geology with HKIE Approved Courses Theme*#**
 - ▶ **General Applied Geosciences Theme**
- 3 courses in the programme have been included in the list of reimbursable courses under the Continuing Education Fund (CEF) 

*Accredited by the Geological Society of London. Applications for Chartered Geologist or Scientist (CGeol/CSci) with an accredited MSc benefit from an accelerated route, subject to satisfying all other criteria.

All courses are approved by the Hong Kong Institution of Engineers.

Host

Department of Earth and Planetary Sciences

Admissions Requirements

Applicants should fulfil the University Entrance Requirements and should possess a Bachelor's degree with First or Second Class Honours (or GPA equivalent) in Science, Engineering or a related subject.

Application Deadlines (Local & Non-local applicants)

Application opens in **September 2026**

Applications are considered continuously, and early application is advantageous.

Round 1: 12:00 noon (GMT +8), January 29, 2027

Round 2: 12:00 noon (GMT +8), April 30, 2027

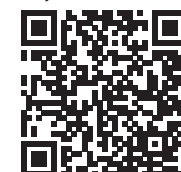

Grant and Financial Support

The Professional Development Grant in Applied Geosciences will be offered during the academic year of 2027-28. The value of the Grant will be equivalent to **20%** of the part-time MSc in Applied Geosciences tuition fee for the degree curriculum.

*Subject to fulfilment of the eligibility criteria for the Grant.
