Research Opportunities from Science School / Departments

Research opportunities are available from the Science School and Departments for HKU Science undergraduate students. Students are encouraged to visit the following websites to know more about teachers' research interests and approach them for research opportunities.

- School of Biological Sciences:
  https://www.biosch.hku.hk/about-us/our-staff

- Department of Chemistry:
  https://chemistry.hku.hk/people/academic_staff_research/

- Department of Earth & Planetary Sciences:
  https://www.earthsciences.hku.hk/education/undergraduate_students/research_opening_and_opportunities/

- Department of Mathematics:
  http://www.math.hku.hk
  (at 'Research Groups' under the 'Research' section)

- Department of Physics:
  https://www.physics.hku.hk/undergraduate_studies/local_and_overseas_program/

- SCDS(Department of Statistics & Actuarial Science):
