FEE

Free of charge (programme cost is fully sponsored by the Faculty of Science)

A commitment fee of \$1,000 for each part will be imposed when students accept the offer. It will be fully refunded upon their successful completion of all the modules in the part, including the completion of respective e-feedback forms after each module.

Quota:
40

REGISTRATION

Interested students should register at <http://wp.cedars.hku.hk/form/CSP201819/2ndSem> by **9:00 am, December 10, 2018 (Monday)**.

Registration is on a first-come-first-served basis. Priority will be given to Year 3 and 4 students for Part 1.

Successful applicants will receive email notification by mid-December 2018 for the payment of commitment fee.

To ensure students to receive comprehensive training and obtain maximum benefits from the programme, students should commit themselves to attend ALL modules in each part.

Students who have successfully completed both parts of the programme and respective e-feedback forms will be given a certificate of completion as a recognition.

Do you have what it takes to achieve your version of career success at graduation?

What is career success to you?

Career Success Programme

for Science Undergraduate Students 2018-19

Every student's definition of career success can be different. This is because you are the only one who can decide what career path suits you best. We understand that this is not an easy decision to make, and we are here to help you plan and build your career path.

In the 2nd semester this year, we are collaborating with CEDARS – Careers and Placement again to offer the Career Success Programme. This Programme consists of 2 parts. You can choose to enroll in one or both parts.
