

THE UNIVERSITY OF HONG KONG  
FACULTY OF SCIENCE

The lists of approved overseas experiential learning activities supported by the overseas EL funding 2015-16

No.	Department/ School	Title of Overseas EL activity	Course code and course title (if applicable)	Location
1a	School of Biological Sciences	Capstone Experiential Field Course	BIOL3951: Ecology and Biodiversity Field Course Subclass A: Marine mammal field course	Subclass A: Philippines
1b	School of Biological Sciences	Capstone Experiential Field Course	BIOL3951: Ecology and Biodiversity Field Course Subclass B: Animal behaviour field course	Subclass B: South Africa
2	School of Biological Sciences	Sensory Evaluation Workshop at Shanghai Jiao Tong University	BIOL4912 Sensory Evaluation of Food	Shanghai, Mainland China
3	School of Biological Sciences	Marine Ecology Excursion: Tsitsikamma, South Africa		South Africa
4	Department of Earth Sciences	Deconstructing the anatomy of the arc-continent collision system in Taiwan	EASC2409 Regional Field Studies	Southern and Central Taiwan
5	Department of Earth Sciences	Integrated Field Studies: Montana, U.S.A	EASC4955 Integrated Field Studies	Indiana University Geologic Field Station (Judson Mede Field Station), Cardwell, Montana, U.S.A
6	Department of Earth Sciences (ENVS)	ENVS4955 Environmental Science in Practice, Field trip in Okinawa, Japan	ENVS4955 Environmental Science	Okinawa, Japan
7	Department of Mathematics	Modern Mathematics – International Summer School for Students	Mathematical and Numerical Methods in Image Processing (Organized by Berlin Mathematical School) (overseas)	Berlin, Germany
8	Department of Mathematics	7th International Congress of Chinese Mathematicians		Beijing, Mainland China
9	Department of Mathematics	Summer School at Yau Mathematical Science Center (YMSC), Tsinghua University (mainland)		Beijing, Mainland China
10	Department of Mathematics	Summer School in Mathematics at The Institute of Mathematics of Eötvös Loránd University, Budapest (overseas)		Budapest, Hungary
11	Department of Physics	Summer School on Nuclear Physics at RIKEN		RIKEN, Tokyo, Japan
12	Department of Physics	Summer School on Observational Astronomy in National Tsing Hua University, Taiwan		National Tsing Hua University, Taiwan
13	Department of Statistics & Actuarial Science	ENSAI Exchange and Interaction Program		RENNES, France
14	Faculty of Science	UBC Summer Course	SCNC2121 Sustainable food production / SCNC2122 Marine life science: a North East Pacific perspective	University of British Columbia, Canada
15	Faculty of Science	iGEM competition		USA

As of March 14, 2017
