

Master of Science in ENVRON MANAGEN

Managing environmental issues in multifaceted contexts

Apply now for entry in September 2021

School of Biological Sciences

The Programme

Either 1-year full-time or 2-year part-time

- ■A multi-disciplinary coursework programme with most teaching on weekday evenings
- ■An integrated overview of environmental management, addressing both major environmental problems and their social, legal, engineering, ecological and economic contexts
- ■Course materials focus on Hong Kong, but with a strong international and comparative dimension
- ■Courses taught by ecologists, engineers, planners, economists, lawyers, and environmentalists from HKU and practitioners in the field
- ■Accredited for direct application to the Graduate IEMA membership and BEAM Affiliate qualification

Admissions Requirements

- ■A Bachelor's degree with Honours in any field
- ■Work experience is useful but not essential

Application

Application opens in late December 2020

Deadline for local applicants: 12 noon, June 30, 2021 (GMT +8)

Deadline for non-local applicants: 12 noon, April 30, 2021 (GMT +8)
