

To: All non-final year Science students

## **Globalink Research Internship (GRI) in Canada**

Under the partnership between HKU and Mitacs, a Canadian national organisation which designs and delivers research and training programmes, students can apply for [Globalink Research Internship \(GRI\)](#) to spend **12 weeks (between May and October, 2024)** in **Canada** on a research project in their area of interest under the supervision of a professor.

### **Highlights and Benefits of GRI**

- Each intern will be offered stipend and allowance in a total amount of around \*CAD9,000 for airfare, transportation, accommodation and living expense in Canada, etc.
- An opportunity to take part in professional training (e.g. teamwork, project management, problem solving, communication and entrepreneurship)
- A chance to interact with companies of interest through events or individual meetings
- Extensive opportunities for cultural, social and recreational experiences as well as international exposure
- A gateway to further study and career opportunities in Canada

*\*Remarks: It is subject to change and the exact amount and breakdown will be indicated on the GRI Award Letter.*

### **Eligibility**

- Full-time undergraduate students in non-final year (in the academic year of 2023/24)
- Latest CGPA (as of Semester 2, 2022/23) of 3.3 or above
- Completed at least 2 semesters of undergraduate study in HKU when applying to International Affairs Office (IAO)

### **Application**

Interested students should submit the completed application form (attached) to the Faculty Office by **July 27, 2023 (Thursday)**. **Eligible nominated students will then be invited to apply on the IAO application link. Further instructions will be given by IAO in due course.**

For further details on programme arrangement of GRI, please visit IAO website ([https://intlaffairs.hku.hk/avail\\_program.php?pid=12&type=outgoing](https://intlaffairs.hku.hk/avail_program.php?pid=12&type=outgoing)).

For enquiries on submitting the application, please contact Ms Cecilia Tse of the Faculty Office at [sci.ug.el@hku.hk](mailto:sci.ug.el@hku.hk) (email) or 3917 2683 (phone).

Best regards

(Dr) Thiyagarajan Vengatesen (Rajan)  
Assistant Dean (Experiential Learning)  
Faculty of Science, HKU
