HOW TO EVALUATE STARTUPS
Our First Fund in 2013 (around 100M rmb)

- LPs are friends of the GP
- 6 GPs distributed in several cities
- Have deep Tech and startup experiences
- My interest in AI and Blockchain
- Interested in Angel round
- Investing from 0.5M to over 10M
Startups Need to know...

• Funds are getting to more vertical (specific)
• Funds usually has a preference on stages
• It is more than money, but resources and network are even more important
• It is common that several funds invest together in a round
Criteria

- Team
  - Backgrounds
  - IP/ Tech
  - Balanced team
- Market
- Chance to raise money in next round (what metrics needed)
- Resources from GPs
- Flexibility of founders (Plan B, accepting new founders)
- Strategic to the fund (may not be aiming IPO)
