

HKU-NJU No. 1 satellite,
scheduled to launch July 2020

THE UNIVERSITY OF HONG KONG
FACULTY OF SCIENCE

Department of Physics
The University of Hong Kong

Master of Science in the field of Space Science

Apply now for entry in September 2020

The University of Hong Kong

Programme Features

- English as the medium of instruction
- Either 1 year (full-time) or 2 years (part-time)
- Offered by the Department of Physics, with contributions from the Department of Earth Sciences, the Department of Statistics and Actuarial Science and the Department of Electrical and Electronic Engineering under the auspices of the LSR
- Key partners in Mainland China (Zhejiang University, Nanjing University, China Aerospace Science and Technology Corporation, DFH Satellite Co.) and Europe (e.g. Padova-CISAS)
- Highly multi-disciplinary degree, covering broad areas of science, engineering, and statistics related to space
- Strong focus on Chinese Space Science programme
- Elite guest lecturers
- Internship opportunities with top space science research labs
- Promising employment opportunities, in public and private sectors
- Scholarships available

Requirements

A bachelor's degree in a relevant science (e.g. Physics, Astronomy, Earth Sciences) or Engineering (e.g. Aerospace, Electrical, Mechanical).

Application

Details can be obtained from:

<https://www.scifac.hku.hk/prospective/tpg/about>

Online application:

<https://aal.hku.hk/tpg/>

Deadline for non-local students: June 15, 2020 (extended)

Deadline for local (HK) students: June 30, 2020
