Notes:

- The timetable is subject to change and students will be informed in due course.
- ENVM7003 – There is a field trip on 10 September 2022 (Saturday)
- All students are required to attend the Research Colloquium of ENVM8004 Dissertation which will be held on 10 and 11 March 2023 for FT and PT students. Students will be informed of the details nearer the time.
- ENVM8006: PT students could only take class A. FT students could choose either class A or B. Class B has more teaching hours than class A and will be taught in day time. [For Class A, manual approval will be done where priority is given to PT students. When the quota of Class A is met, those FT students who are registering later could only enroll Class B]

Venue:	KA	Kadoorie Biological Sciences Building	LE	Library Extension Building
