Step 2 – Log in with your HKU Portal account

Step 3 – Read the information on this page carefully and check the boxes under the "Declaration" section

Welcome to the RPG Thesis Submission System of the Faculty of Science.

Before proceeding with your thesis submission, please read the [RPG Thesis Submission Guideline](#) carefully and ensure that the following documents are ready.

Important Notes:

- a. Thesis submission via the RPG Thesis Submission System is considered an official submission. Please ensure your thesis and all related documents to be submitted to the system are in order and ready for examination before submission.
- b. Candidates and supervisor(s) are reminded not to contact Examiners personally regarding the thesis or examination procedures. Any improper contact with the Examiners may lead to serious consequences, including the assessment results of the examination being declared null and void.

Documents Required to Submit on RPG Thesis Submission System:

1. A softcopy of your Thesis

- The thesis submitted for examination shall be typewritten on A4-size paper (except for drawings, maps or tables on which no restriction is placed), with a margin of not less than 35mm on both right and left-hand edges of each page.
- Please refer to the [HKU Libraries Guideline](#) for more details.
- Format: In a PDF file with bookmarks
- Maximum File Size: 25MB

2. Thesis Submission Form(s) for each supervisor

- Download [here](#)
(* For Joint-Placement students, please contact your home Department for the appropriate Submission Form.)
- Each supervisor should complete a form individually.
(* For Joint-Placement or Joint-Programme students, please ensure both your HKU supervisor and partner institute supervisor endorse the form.)

3. The latest Turnitin Originality Report

- Please provide a complete version of your Turnitin Originality Report, which should show the full thesis in your original thesis format, with highlights of the similarity text and the similarity index at the end of your Turnitin report.
- You may contact your home Department for the Class ID and Enrollment Password.
- You should consult your supervisor(s) for refinement of the draft thesis before submission if necessary.

4. Abstract

- Word Count: between 200 to 500 words
- The format shall be the same as the thesis.
- The Abstract should indicate the word count and be signed by your primary supervisor(s).
(* For Joint-Placement or Joint-Programme students, please ensure both your HKU supervisor and partner institute supervisor sign on the Abstract.)

5. Proof of Submission of Dataset

- HKU Research Postgraduate (RPG) registered in September 2017 and thereafter are required to submit a Data Management Plan (DMP) to the University Libraries by the end of his/her probationary period, where applicable, to describe the use of data in preparation for, or in the generation of their theses; and depositing, where applicable, a dataset in the HKU DataHub.
- Please ensure that you have submitted your [Dataset](#) and completed the [RPG Data Management Plan \(DMP\)](#).
- Students do not need to submit a DMP if:
 - a. Data is freely available on the internet or in libraries, or
 - b. License forbids deposit, or
 - c. No data was used in the research project for the creation of the thesis.
- Please submit the Proof of Submission of Dataset, printed from the Libraries system.
- Please contact HKUL Research data services for further assistance if necessary.

Should you have any questions, please contact the Faculty of Science at scirpg@hku.hk.

Good luck with your examination!
