

Dataset Submission: RPG (MPhil, PhD & SJD)

Beginning with the September 2017 intake, all Research Postgraduate (RPG) students are required to submit the dataset of their research, where applicable, when they submit thesis for examination.

Please complete this page and submit the printed copy together with your thesis to your Faculty/Department.

1. Please submit your dataset in the HKU Data Repository DataHub before starting to fill this form.
 1. Before depositing your dataset in the HKU DataHub, you have to accept the terms and conditions stated in the Depositor's Agreement.
 2. If your data includes personal identifiers (PID), or data elements that could be used to triangulate identity, please choose "Confidential Files" in the DataHub submission page.
 3. If your data is temporarily not permitted to be publicly available within a certain period, you may apply an embargo period on your files or the whole item in the DataHub data submission page.
 4. If your data are forbidden to be uploaded onto another repository owing to copyright issues, or the data are considered to be too sensitive to be uploaded (with valid justification), you may wish to create a metadata record only in the DataHub data submission page.
 5. When you are depositing your data in the DataHub, please make sure you have successfully Reserve a DOI and Generate Private Link.
 6. For more information about the DataHub, please refer to DataHub Libguide.

2. The access rights to your dataset is restricted to you, your supervisor and Department Head / Faculty Dean only, if you choose “Confidential Files” or set “Embargo Period” in the DataHub submission.
3. Your decision to restrict or to make public your datasets does not need approval.
4. There is a file size limitation of 5GB for uploading your dataset through the web interface. Please contact us at researchdata@hku.hk if you have larger files.
5. If the owner or provider of your data has given a date for destroying the data, please also set here. The Hub will destroy the data on this date as long as the minimum retention period as required by HKU which is five years after publication or public release of the work of the research has expired.
6. Upon clicking SUBMIT at the end of the form, an email verification will be sent to you and your supervisor(s).

If you have questions about dataset submission please contact researchdata@hku.hk.
