Where This Programme Will Lead You To

Transferable skills

- Provides students with extensive subject knowledge and specialised training in law
- Nurtures a scientifically literate population with legal knowledge to formulate solutions for challenges

Articulation

- Eligible to apply for the Postgraduate Certificate in Laws (PCLL) after completing the double degree programme
- In a position to apply for other postgraduate programmes in law or science

Hear from our student

'This programme is the first of its kind provided to students in Hong Kong. I was really excited when I found this programme and interested in its interdisciplinary courses. For Science, this programme offers me with chances to explore more about Chemistry, equivalent to a Bachelor of Science student. For Law, I could also apply for the Postgraduate Certificate in Laws (PCLL) upon completion of this programme, equivalent to a Bachelor of Laws student.'
